

# Global Sustainability Conference

## 2025

Dear Leaders,  
Greetings from Edufam Training Services! We are honored to invite you to the Sustainable Conference in Maldives, scheduled for April 12, 2025. This prestigious event, organized by Edufam Training Services in collaboration with ACE International, Singapore and Resolve Asia Malaysia, will bring together thought leaders, educators, corporate professionals, and sustainability advocates to drive meaningful conversations on environmental responsibility, education, and leadership. Why Sustainability is Crucial for the Maldives  
As a nation, the Maldives stands at the forefront of the global sustainability movement. Rising sea levels, marine ecosystem degradation, and waste management challenges demand urgent and collective action. This conference serves as a platform for innovation, collaboration, and actionable strategies to protect and sustain the Maldives' natural beauty and economic resilience.

## "Innovating for a Sustainable Future: Advancing SDGs through Education, Business & Leadership"

 **Dates:** April 11–13, 2025

 **Venue:** Maldives

### About the Conference

The **Global Sustainability Conference 2025** is a premier gathering of global leaders, educators, policymakers, corporate executives, and sustainability champions dedicated to advancing the **United Nations Sustainable Development Goals (SDGs)**. This two-day hybrid event will feature insightful discussions, research presentations, and best practice sharing, culminating in the **Sustainability Awards 2025**.

### About the Organizers

**Eco Visionaries Global Group** is a dynamic global initiative dedicated to fostering sustainability through education, leadership, and community engagement. As a pioneering platform, it empowers individuals, businesses, and institutions to adopt eco-friendly practices and contribute to a greener future. The group actively collaborates with policymakers, educators, and corporate leaders to promote environmental awareness, sustainable innovations, and responsible consumption. Through conferences, training programs, and advocacy campaigns, **Eco Visionaries Global Group** inspires changemakers to take meaningful action in achieving the **United Nations Sustainable Development Goals (SDGs)** and building a more sustainable world. 🌱💡

The **Global Sustainability Conference 2025** is proudly organized by **Edufam International Academy**, **ACE International Singapore**, and **Resolve Asia Malaysia**—three leading institutions dedicated to **education, leadership, and sustainability**. **Edufam International Academy** is a global platform for training and mentorship, empowering individuals in education and corporate leadership. **ACE International Singapore** specializes in fostering innovation and sustainable business practices, while **Resolve Asia Malaysia** drives impactful solutions in sustainability, research, and corporate responsibility. Together, these organizations bring expertise, vision, and a shared commitment to advancing **sustainable development and global collaboration**.

### **About Dr. Haleema Sadia** 🌱

Dr. Haleema Sadia is a distinguished **educator, sustainability advocate, and global mentor**, with a remarkable career spanning **education, leadership, and corporate training**. As the **Founder of Edufam International Academy**, she has empowered over **48,000 individuals worldwide**, shaping future leaders in sustainability, education, and soft skills. With **multiple master's degrees and a doctorate**, she is currently pursuing a **Ph.D. in E-Waste Management and Youth Behavior** from **Inti International University Malaysia**. Dr. Sadia has been a **guest speaker at global conferences**, a **mentor for sustainability initiatives**, and a **champion of SDG-focused education and leadership programs**. Her expertise in **sustainability, corporate training, and transformational leadership** makes her a driving force behind initiatives that inspire action for a **greener, more responsible future**.

### **Objectives**

- ✓ Facilitate collaboration between global sustainability leaders, educators, and business pioneers
- ✓ Showcase **innovative research and best practices in sustainability**
- ✓ Conduct **engaging workshops on sustainable business, education, and policy**
- ✓ Recognize outstanding contributions to sustainability through the **Sustainability Awards 2025**

### **Why the Maldives?**

As one of the world's most ecologically sensitive regions, the **Maldives** is at the forefront of climate action and sustainability challenges. Hosting this conference in the Maldives underscores the urgency of climate resilience, sustainable business, and responsible consumption.
